Let me tell you 'bout a boy  
He loved to say his alphabet  
He loved to say it all day long  
Until the sun began to set  
He'd stand right up and say it proud  
Say it soft and say it loud  
And when the moon had come and gone  
While he waited for the dawn  
You'd hear 'im say... (What would he say?)  
He'd say  
ABCDEFGHIJKLMNOPQRSTUVWXYZ

The alphabet was what he loved to say  
Wanna hear another story?

Let me tell you about a girl  
So beautiful and smart  
She loved to play and loved to sing  
And here's the real important part  
She loved to sing her alphabet the best  
She'd go for hours without a rest  
(put herself to the test)  
Sayin' letters one by one till the alphabet was done  
Her special way. She'd say....  
ABCDEFGHIJKLMNOPQRSTUVWXYZ

The alphabet was what she loved to say  
Let's sing it again  
ABCDEFGHIJKLMNOPQRSTUVWXYZ

The alphabet is what we love to say!!!!  
Oh right!
