spoken as they run onto a castle backdrop all decked out in fab royal outfits:

"Princess Zoe, I, your young Prince Telly beseech you, won't you please choose me as your playmate?"

"Princess Zoe, Prince Elmo beseech you to choose him as your playmate!"

"Okay, whatever shall I, Princess Zoe do?!"

sung by Christopher Barron (lead singer of The Spin Doctors, and hereupon called Chris)

If two princes ask you for a playdate  
Let's have some fun now  
Each one wants to be your only playmate  
Says "I'm the one now", one prince says:

Telly: Hey my toys are so good, that you'll adore 'em

Chris: One says:

Elmo: That stuff he's got is no good, so just ignore him

Chris: This one says:

Telly: If you try my wagon, how glad you'll be now

Chris: That one says:

Elmo: Hey you know he's braggin', so please pick me now

Chris: One says he's got a tennis racket

Telly: And a pool now

Chris: One says:

Elmo: Hey dig my leather jacket, Prince Elmo's cool now

Chris: Then you had a really good idea you said:

Zoe: Can't you get this simple notion in your head?  
Have either of you fellows stopped to think of whether  
The three of us could all join up and play together?

All muppets: The three of us could all join up and play  
together

Chris: Both princes said:

Telly & Elmo: Hey you're really smart girl, we dig your  
scheme now

Chris: Since then you've learned to be more patient  
Yeah, you're a team now  
Three friends who've learned cooperation  
Can lead to fun now  
Let's give you three a big ovation  
For what you've done now

Muppets: Yeah, yeah!

Chris: Cooperation, cooperation, cooperation

spoken, Zoe: We're cooperating

Telly: Princess Zoe, who were those guys?

Zoe: Those guys? Oh, they're my Royal Musicians. I  
think they call themselves The Spin Doctors.

Telly & Elmo: Oh!
