Well I'd like to visit the moon,  
on a rocket ship high in the air.  
Yes, I'd like to visit the moon,  
but I don't think I'd like to live there.

Though, I'd like to look down at the earth from above,  
I would miss all the places and people I love  
so although I might like it for one afternoon  
I don't wanna live on the moon.

I'd like to travel under sea,  
I could meet all the fish everywhere  
Yes, I'd travel under the sea,  
But I don't think I'd like to live there.  
I might stay for a day there if I had my wish  
but there's not much to do when your friends are all  
fish,  
and an oyster and clam aren't real family,  
so I don't wanna live in the sea.

I'd like to visit the jungle, hear the lions roar,  
go back in time and meet a dinosaur,  
there's so many strange places I'd like to be,  
but none of them permanently.

So if I should visit the moon,  
well i'll dance on a moonbeam and then,  
I will make a wish on a star and I'll wish I was home  
once again.

Though, I'd like to look down at the earth from above,  
I would miss all the places and people I love  
So although I may go,  
I'll be coming home soon  
Cause I don't want to live on the moon  
No I don't want to live on the moon.
