My hair is black and red  
My hair is yellow  
My eyes are brown and green and blue

My name is Jack and Fred  
My name's Amanda Sue  
I'm called Kareem Abdul  
My name is you

I live in southern France  
I'm from a Texas ranch  
I come from Mecca and Peru  
I live across the street  
In the mountains, on a beach  
I come from everywhere  
And my name is you

We all sing with the same voice  
The same song, the same voice  
We all sing with the same voice  
And we sing in harmony

Sometimes I get mad and mean  
Sometimes I feel happy  
And when I want to cry, I do

When I'm by myself at night  
I hold my teddy tight  
Until the morning light  
My name is you

I have sisters one, two, three  
In my family there's just me  
I've got one daddy  
I've got two

Grandpa helps me cross the street  
My cat walks on furry feet  
I love my parakeet  
My name is you

We all sing with the same voice

The same song, the same voice  
We all sing with the same voice  
And we sing in harmony

I like to run and climb  
I like to sit and read  
I like to watch my TV, too

And when it's time for bed  
I like my stories read  
"Sweet dreams" and "Love you" said  
My name is you

We all sing with the same voice  
The same song, the same voice  
We all sing with the same voice  
And we sing in harmony
