One night together  
Two hearts are better with  
Three little words

You say that love is not worth the time  
And the trouble a heart runs dry when  
Counting on someone keeps adding up to gettint let  
down  
You satrt to give up on believing there's any reason to  
try  
Hold on tight cause in

One night together  
Two hearts are better with  
Three little words  
I love you  
Forever and ever  
Baby I'll never give up until you see  
You can  
Count on me

I've been your friend all of these years  
They made you cry I dried your tears  
You looked for love but isn't it clear what you've wanted  
more  
Has always been right here in my heart it's time that  
you start to loving me  
All we need is

One night together  
Two hearts are better with  
Three little words  
I love you  
Forever and ever  
Baby I'll never give up until you see  
You can  
Count on me

What do I have to do to just make you believe  
Girl you're everything you mean the world to me  
I need you

I love you  
Won't stop until you see  
Baby

One night together  
Two hearts are better with  
Three little words  
I love you  
Forever and ever  
Baby I'll never give up until you see  
You can  
Count on me (3x)
