Lyrics by Phoenix Stone

Music by Phoenix Stone, Jam Et Delgado

There's girls that do and girls that don't
There's things you guess and things you know
Something been coming over me
You've really got me feeling sexually

I'll be yours if you allow
When love's in motion it can't slow down
There's no stopping us now

Do you want me baby
Say (oh, yeah)
Do you need me baby
Say (yeah, yeah)
Do you trust me baby
Say (oh, yeah)
Baby, look into my eyes
I want you tonight

Do you want me?

Swear I'll never tell you lies
But my emotions are in overdrive
You got my body, heart and soul
We're speeding down a one-way road

Touch me where we're not allowed
You turn me baby inside out
There's no stopping us now

Do you want me baby
Say (oh, yeah)
Do you need me baby
Say (yeah, yeah)
Do you trust me baby
Say (oh, yeah)
Baby, look into my eyes
I want you tonight

It's been creeping up so long
It feels so good it can't be wrong
Nothing's gonna slow us down
Cause there's no stopping us
There's no stopping us now

Baby look into my eyes
I want you tonight

Do you want me baby
Say (oh, yeah)
Do you need me baby
Say (yeah, yeah)
Do you trust me baby
Say (oh, yeah)
Baby, look into my eyes
I want you tonight (3x)
