Lyric by Phoenix Stone

Music by Phoenix Stone, J. Larossi, A. Romdhane for
Murlyn music

Been thinking a lot
Since we've been apart
How nobody else can
Truly touch my heart
I think forever is so much better
If we just stay together

So I called you up
Just to hear you say
That you feel in love and
Gave your heart away
I was too late
Guess I made a mistake
Now all I can say

It could have been me with you
It could have been our dreams coming true
But I was too blind to realize
It could have been me there with you

What can I say
What can I do
If you don't love me
Like I love you
I waited too long
And now you're gone
I should have known
All along

It could have been me with you
It could have been our dreams coming true
But I was too blind to realize
It could have been me there with you (2x)

I can't believe I had your love
Then pushed you away
Oh baby, baby what a big mistake

It could have been me with you
It could have been our dreams coming true
But I was too blind to realize
It could have been me there with you (2x)
