Lyric by Phoenix Stone

Music by Phoenix Stone, Michael Jay, Jam Et Delgado

I'll never fall in love again I swear
Another broken heart I could not bear
Someday you're gonna feel the pain I'm in
But until then
I'll never fall in love again

You said it's over you're giving up
Somehow you've fallen out of love
But how could you leave me here this way
Oh how could you baby

You said that what we had would last forever
We said that we would always be together
But we were wrong and how that you're gone
I'll never fall in love again I swear
Another broken heart I could not bear
Somebody you're gonna feel the pain I'm in
But until then
I'll never fall in love again

Someday the tables will all be turned
You'll be the one who gets your heart burned
And then you'll know just how I feel
And how I loved you

I should have known that you would break my heart
I should have known that we would fall apart but
I was blind but I swear next time

I'll never fall in love again I swear
Another broken heart I could not bear
Someday you're gonna feel the pain I'm in
But until then

I'll never fall in love again it's true
I never want to feel the way I do
Everybody says my heart will mend
But until then

I'll never fall in love again

I know this time I will survive
But the only way I'll be alright
Is if I promise to myself
I'll never fall in love again

I'll never no never I'll never fall in love (repeat 3X)

I'll never fall in love again I swear
Another broken heart I could not bear
Someday you're gonna feel the pain I'm in
But until then

I'll never fall in love again it's true
I never want to feel the way I do
Everybody says my heart will mend
But until then
I'll never fall in love again
