You don't know what you've got  
Sorry is the word to say

Baby tell me what can I say  
There's no excuse for the mistakes that I made  
Baby, baby what can I do  
To make you love me the way you used to

If only time would just rewind  
Go back to when you were still mine  
If only it could be undone  
Maybe you'd still be here in love

You don't know what you've got  
Don't know till it's gone  
Don't know where we went wrong  
Sorry is the hardest word to say

Guilty eyes that explain  
Won't take away all the pain  
Sorry is the hardest word to say

(I'm so sorry)  
I can feel emotions explode  
You say that you need time to be alone  
I was someone you used to believe  
And now you think that you were just naive

There's no one else to blame but me  
I threw your love away foolishly  
If only you could read my eyes  
Maybe you'd give me one more try

You don't know what you've got  
Don't know till it's gone  
Don't know where we went wrong  
Sorry is the hardest word to say

Guilty eyes that explain  
Won't take away all the pain  
Sorry is the hardest word to say

What can I say  
What can I do  
Oh can't you see baby  
I'm in love with you  
Don't know what you've got

(I'm so sorry baby)  
I'm so sorry  
I'm so sorry now  
Don't know what you've got  
Don't know till it's gone  
Don't know where we went wrong  
Sorry it's the hardest word to say

Guilty eyes that explain  
Won't take away all the pain  
Sorry is the hardest word to say

Don't know what you've got  
Don't know till it's gone  
Don't know where we went wrong  
Sorry it's the hardest word to say

Guilty eyes that explain  
Won't take away all the pain  
Sorry is the hardest word to say
