Forever
(h. santisteban - o. malagutti)

I wanna feel
Your hands on my face
Oh! my love
I remember the time we've spent together
Now you say
That you don't love me
No more
I don't care about
What you think and say...

So i know
You've got another boy
But i'm sure
He doesn't love you as i do
I don't mind
I will be always waiting for you
And when you come back
I will say to you

Give me love, love, love,
Love, love, love...
Love, love, love...
I'll love you forever
I'll love you forever

Solo

I don't mind
I will be allways waiting for you
And when you come back
I will say to you

Give me love, love, love,
Love, love, love...
Love, love, love...
I'll love you forever
I'll love you forever
