Ever since 1955  
People been shakin and doin the hand jive  
Goodness gracious great balls of fire  
? rock and roll empire  
Fat cadillac coupe devil  
Leather interior 24 kt. gold grill  
Sign the line, you can have the keys  
But you know they wouldn't sell em no songs like these

Same ole song  
Singin the same damn thing ( Claim the fame, it's just  
the same ole song)  
Same ole song (There ain't nothin that changed)  
Singin the same damn thing (There ain't nothin that  
changed)

Now what you gon do that ain't already been done  
You think of something fresh, but don't know where it's  
from  
They don't make em like they used to  
And you don't think that you can step up to the legend  
now do you  
Ever think that you can walk this way  
You better come stepping with the rap again  
Cuz when you're bound to get dropped and looked to  
blame  
It'll be you for rockin' with the same ole same

Same ole song  
Singin the same damn thing ( Claim the fame, it's just  
the same ole song)  
Same ole song (There ain't nothin that changed)  
Singin the same damn thing (There ain't nothin that  
changed)

Got more ? sneakers  
And if you don't believe me I'll be jumpin off the  
speakers  
Watch out I'm about to arrive  
In 5, 4, 3, get high

Same ole, same ole, same ole, same ole, same ole,  
same  
ole, same ole, same ole, same ole song  
Same ole, same ole, same ole, same ole, same ole,  
same  
ole, same ole, same ole, same ole song  
Same ole, same ole, same ole, same ole, same ole,  
same  
ole, same ole, same ole, same ole song  
Same ole, same ole, same ole, same ole, same ole,  
same  
ole, same ole, same ole, same ole song

Same ole song  
Singin the same damn thing ( Claim the fame, it's just  
the same ole song)  
Same ole song (There ain't nothin that changed)  
Singin the same damn thing (There ain't nothin that  
changed)
