I'm head in' for the last round up
gonna saddle old Paint for the last time and ride
So long old pal
it's time your tears were dried
I'm head'n in' for the last round up
Git along
little dogie
git a long

git along
git along
little dogie
git along.
Git along
little dogie
git along

git along
git along
little dogie
git along!
I'm head in' for the last round up
To the far away ranch of the Boss in the sky.
Where the stray's are counted and branded
there go I
I'm head in' for the last round up.

I'm head in' for the last round up
gonna saddle old Paint for the last time and ride
So long old pal
it's time your tears were dried
I'm head'n in' for the last round up
Git along
little dogie
git a long

git along
git along
little dogie
git along.
Git along

little dogie
git along

git along
git along
little dogie
git along!
I'm head in' for the last round up
To the far away ranch of the Boss in the sky.
Where the stray's are counted and branded
there go I
I'm head in' for the last round up.
Git along
little dogie
git along.
