"You are the mighty one  
our king upon the throne  
you reign in power and majesty

you form the hearts of man  
you know the way i am  
still you are so in love with me  
Oh the wonder of your unfailing love....

Chorus:  
So far above me, so close inside me  
all around me as i speak  
your spirit is inside me and makes me sing---

you made the mountains rise  
painted the starry skies  
you are creator of great things

my soul is satisfied  
your spirit deep inside  
life giving love inside of me  
Oh the wonder of your unfailing love

You make me sing.....
