"You are the One who makes me
One of a kind You keep me
Searching for love You tell me
You'll never love me less than
The most anyone could (most anyone could)

I know Your love is sufficient for me
But I keep on holding on to these things
I know Your love is sufficient for me, for me

Jesus show me how to be free
How to let go of these
Things that keep me from
Getting Closer to You

Getting closer, I'm getting closer
Jesus bring me closer to You"
