"We sing the mercies
We sing the mercies
We sing the mercies of the Lord

When I think about everything You've done
I wanna thank you
My faithful God the Holy One
How can I thank you

hallelujah, hallelujah, hallelujah, you've been so
good....

You're love is deeper than the sea
Oh You are worthy
you're sacrifice it covers me
yeah you are worthy

hallelujah, hallelujah, hallelujah, you've been so
good....

You are the reason that i sing
sing hallelujah
unchanging God the King of kings
sing hallelujah

hallelujah, hallelujah, hallelujah, you've been so
good....
