Why am I so selfish, stubborn,
lazy, crazy, maybe I just need a break
Maybe I just need to take
a deep breath a big sigh maybe I
need to break down and cry
Maybe I need a vacation
far away from this damnation
I think that I just need time
to get away, clear my mind

Fly away, so far so far from here
Fly away, so far so far from here
I wanna get away

See everyday I find it
hard, frustrating waiting for a day when I will be
feeling light and so carefree
from the pain the rain and my tears
all my doubts and my fears
see I can't wait to see the sunshine
shining brightly, in the meantime
think that I just need time to get away
clear my mind yeah...

Fly away, so far so far from here
Fly away, so far so far from here
I wanna get away

Fly away yeah, so far so far from here
I gotta fly gotta fly gotta fly
Fly away yeah, so far so far from here
I wanna get away

I need to find (I need to find)
a place where I (A place where I)
come face to face
find open arms
I need to find a place where I can
mend my broken heart

Fly away, so far so far from here

Fly away, so far so far from here
I wanna get away

Fly away, so far so far from here
I gotta fly, gotta fly, gotta fly
Fly away yeah, so far so far from here
I wanna get away

I wanna get away
