That big dog's chasing me
wait a bit it's trying to kill me
That big dog's chasing me
on my way out
no cats out at the top of the morning (?)
no i wouldn't get on their legs
take that you fast baby (?)
and now she wants to impress my friend go (?)

That Bad Dog's chasing me
wait a bit he's trying to screw me
that bad dog's chasing me
on my way out
she's in to go outside
she eats pills and drinks nitrate
she wants to fuck with my head
i think thats super fine, go (?)

This isn't what we started, on my way out
This isn't what we started, on my on my way out

That big dog's chasing me
wait a bit it's trying to kill me
That big dog's chasing me
on my way out
no cats out at the top of the morning
now look at me i'm on your leg
take that you fast baby (?)
and now she wants to touch my friend go (?)

This isn't what we started, on my way out
This isn't what we started, on my on my way out

This isn't what we started, on my way out
This isn't what we started, on my way out
