where is the freedom of choice?  
the tv says  
"we'll be without it"

i'm in love the tow  
so my healthy glow  
comes with a habit

i like the foam on my lips  
epiliptec fits  
i wanna be social now [?]

seems a pity to me  
the legality  
gonna throw it all away

it's the right thing to do (on ephedrine)  
when you wanna feel cool (on ephedrine)  
to prove that your loves true (on ephedrine)  
oh what are we gonna do? (without ephedrine)

baby i don't know why  
i'm climbing the walls  
i'm up in the attic

i got an illegal supply  
i live at the Y  
but i'm lucky to have it

oh it's the right thing to do (on ephedrine)  
when you wanna feel cool (on ephedrine)  
pick up the grades at school (on ephedrine)  
oh what are we gonna do? (without ephedrine)

it's the right thing to do (on ephedrine)  
when you wanna feel cool (on ephedrine)  
and prove that you're not strange (on ephedrine)  
oh what are  
we gonna do?  
(without ephedrine)
