I was 18 she was 45
I met her in some sleazy dive
I bought her a drink, she bought me five
She tells me that she lives nearby
She has this glare stuck in her eyes
(You know what's on her mind)
I say ok, let's go there now
(This is what you heard)

Oh yeah, oh wow, so good, oh yeah
(I'm in love with the forty and above)
Oh yeah, oh wow, oh please, oh yeah
(I'm in love with the forty and above)

She tells me that she has a friend
And that she's into younger men
(You know what's on their minds)
I say ok, let's call her then
(This is what you heard)

Oh yeah, oh wow, so good, oh yeah
(I'm in love with the forty and above)
Oh yeah, oh wow, oh please, oh yeah
(I'm in love with the forty and above)

I'm in love
Oh yeah, oh wow, so good, oh yeah
(I'm in love with the forty and above)
Oh yeah, oh wow, oh please, oh yeah
(I'm in love with the forty and above)
Oh yeah, oh wow, don't talk, oh yeah
(I'm in love with the forty and above)
Oh yeah, oh wow, so good, don't stop,
Oh yeah, oh wow, so good, don't stop
Oh yeah, oh wow, so good, oh yeah
(I'm in love with the forty and above)
