oh well i woke up this morning  
in a terrible state  
with a head full of shit  
and a heart full of hate  
i didn't have room  
cuz there was no solution  
i needed some help  
for my brains pollution  
then i remembered  
my medicine chest  
i didn't know what it was  
but it was ??? in stone  
my mystery pill  
(mystery pill)  
my mystery pill  
(mystery pill)  
it was so round  
it was so red  
it was inviting  
i didn't know for sure  
i sure for like decided  
it doesn't matter  
what's the worst thing that could happen?  
it couldn't be worse  
than the world that i am trapped in  
i picked it up  
it weighed almost an ounce  
on the top was a name  
that i couldn't pronounce  
my mystery pill  
(mystery pill)  
my mystery pill  
(mystery pill)  
it was just a cheap thrill  
(mystery pill)  
with a mystery pill  
(mystery pill)  
go  
i might forget my wrong or right  
i might just stay up half the night  
time and space could rearrange

or even worse i'd never change  
i picked it up it weighed almost an ounce  
on the top was a name  
that i couldn't pronounce  
my mystery pill  
(mystery pill)  
ow its killing me killed  
(mystery pill)  
i'm with the mystery pill  
(mystery pill)  
i'm gonna take it!
