Exploration, what's outside

\_\_\_\_\_?

Science Fiction [What they teach you?] may be true

But Outerspace don't care for you

(Lightyears from home)

Just a blip on the screen you'll be

(Lightyears from home)

When a meteor creams you

Cold dead eyes, \_\_\_\_\_?

Outerspace, Don't Care

For Your Face, Don't Care

Operation what's outside

No atmosphere, No future lives

What they oughta teach in school

Is outerspace don't care for you

(Lightyears from home)

Just a blip on the screen you'll be

(Lightyears from home)

When no one hears you screaming

Cold dead eyes, your trapped inside

Outerspace, Don't Care

For your face, Don't Care
