These are thee things that belong to me  
Nothing thats worth five dollars you see  
I needed something of value  
I needed money for drugs and food

I got caught shop lifting at macys  
I got caught shop lifting at macys  
Oh no

Hand on my shoulder a voice says son  
I tried to run cuz i never learn  
There go my plans for the afternoon  
Im in a chair in the managers room

I got caught shop lifting at macys  
They say this won't change ....for free  
Oh no

They say son your quite moronic  
Why dont you try something honesty  
I said that i'd do my best  
If they would not make an arrest  
Oh Well Oh Well Oh Well ohh oh oh

But this is not the first time oh no  
theyve got my records from other stores  
I will be .....individual  
And it is off to the clink i go
