In an alleyway
Upstate
In a riverbed, no one knows his fate
At the restaurant
In the parking lot
He will never return, he will never be caught

They looked everyplace
Lost without a trace

Where did he go?
He's very deep in a hole
Where did he go to?
The truth will never be told

At the stadium
Downtown
Think it coulda been him sellin peanuts as a clown
At the restaurant
In the parking lot
He will never return, he will never be caught

They looked all about
Still we go without...

Where did he go?
He's very deep in a hole
Where did he go to?
The truth will never be told...
Told... LETS GO

They looked everyplace
Lost without a trace

Where did he go?
He's very deep in a hole.
Where did he go to?
The truth will never be told...
