For such a long time
You been on my mind
I've been lovin you girl
But lovin in disguise

See I just can't stop this feelin
And I'm feelin it all the time
Yeh, I just can't stop my beating heart
Cus it's tellin me it'd be right

If you wanna fall asleep
In my arms tonight
If you wanna fall asleep
In my arms tonight
Baby if you wanna fall asleep
In my arms tonight
If you wanna fall asleep
In my arms that's fine

You and me
Baby girl
We got somethin
Can't be stirred
They gon try
To bring us down
They gon make us wonder if we really found
What we been
Lookin for
But I know that I don't needa look no more
To understand
That this is real
Don't doubt cus I'm bout it
I can feel it when you

Fall asleep
In my arms tonight
If you wanna fall asleep
In my arms tonight
Baby if you wanna fall asleep
In my arms tonight
If you wanna fall asleep

In my arms that's fine

People say falling asleep
Can leave us behind
And I know what they're sayin but
It's not true all the time
There's not a lot of place
Where I'd close my eyes
But if it's you next to me
I know that it's fine

If you wanna fall asleep
In my arms tonight
If you wanna fall asleep
In my arms tonight
Baby if you wanna fall asleep
In my arms tonight
If you wanna fall asleep
In my arms that's fine
