Sleeping is a way of life
Shouting out alarms,
Keeping us from paradise
When we don't trust this arms.

Take me home, I just want to go
Take me home, I want to go

I wanna wake up, been asleep too long
Singing bedtime songs
But no lullaby, can help me tonight
I've been missing out, On what its about
Won't you show my eyes
How it looks in paradise.

Looking for the place that's right
When will it appear
Clouds by day and fire by night
Tell me are we near

Won't you take me home, I just want to go.
Won't you take me home, I want to go.

I wanna wake up been asleep too long
Singing bedtime songs
But no lullaby, can help me tonight
I've been missing out, on what it's about
Won't you show my eyes
How it looks in paradise.

(Take) Tonight, (me home) tonight
Won't you show my eyes
How it looks in paradise.
(Take) Tonight, (me home) tonight
Won't you show my eyes
How it looks in paradise
