[Intro:]

Baby are you down down down down down,  
(Down, Down,)  
Even if the sky is falling down,  
(Down down,)

You ought to know,  
Tonight is the night to let it go,  
Put on a show,  
I wanna see how you lose control,  
So leave it behind cause we have a night to get away,  
So come on fly with me as we make our great escape,

[Chorus:]

So baby don't worry you were my only  
You won't be lonely  
Even if the sky is falling down  
You'd be my only no need to worry  
Baby are you down down down down down,  
(Down, Down)  
Baby are you down down down down down,  
(Down, Down)  
Even if the sky is falling down,

Just let it be,  
Come on bring your body next to me,  
I'll take you away,  
Turn this place into our private getaway,  
So leave it behind cause we have a night to get away,  
So come on fly with me as we make our great escape  
so why don't we run away.

[Chorus:]

So baby don't worry you were my only  
You won't be lonely  
Even if the sky is falling down  
You'd be my only  
No need to worry  
Baby are you down down down down down,

(Down, Down)  
Baby are you down down down down down,  
(Down, Down)  
Even if the sky is falling down

[Verse:]  
Like she suppose to be,  
She is down all over me,  
Down like her temperature cause to me she is zero  
degrees,  
She cold over freeze I got that girl overseas,  
Now shes my listenary,  
Now can I be her soldier please,  
I'm fighting for this girl on the battlefield of love,  
Don't it look like baby cupid sending arrows from  
above,  
Don't you ever leave the side of me  
And definetly, now probably, and honestly, I'm down  
like the economy.

[Chorus:]  
Baby don't worry you were my only  
You won't be lonely  
Even if the sky is falling down  
You'd be my only no need to worry  
Baby are you down down down down down,  
(Down Down Down Down)  
Baby are you down down down down down,  
(And the sky is falling down)  
Even if the sky is falling down,  
(And the sky is falling down.)
