Can I hold you, can I tell you, you are in my heart  
I am lonely, you're the only and I'll never break apart  
My girl I'll run to you, I swear my love is true  
Baby let us go to heaven,  
There is a place for you, I'll make your dreams come  
true,  
Baby come and go with me

Every night and day, baby come what may,  
Oh we're goin' goin' to L.A.  
Every night and day, hear the people say,  
Oh we're goin' goin' to L.A.  
Oh we're goin' goin' to L.A.  
Oh we're goin' goin' to L.A.

Close to heaven, feel the fire, love will make me strong  
Love is sweeter, sweeter than sugar, baby you're my  
only one  
And time is on my side, I need you just tonight  
I can never live without you,  
I'm waiting for no one, you make my heart so strong,  
I'll never never let you go

Every night and day, baby come what may,  
Oh we're goin' goin' to L.A.  
Every night and day, hear the people say,  
Oh we're goin' goin' to L.A.  
Oh we're goin' goin' to L.A.  
Oh we're goin' goin' to L.A.  
Oh we're goin' goin' to L.A.
