Oh we're walking on separate ways  
And I love you more than words can say  
Can't you see that you're hurting me?  
Love will never be the same  
We can't build a fire in the rain  
Can't you feel that I love you so?

I know it's not easy  
I cried myself blind  
Cause I know for sure  
That love is hard to find

What about us? What about me?  
And what happened to our dream  
You're the love of my whole life  
Baby why can't we survive  
What about us? What about me?  
And what happened in between  
You're my greatest love of all  
I will catch you if we fall

Everybody needs a little love  
And I'll never get enough  
Can't you see that you're hurting me?  
And so many times we say goodbye  
Can't you give me baby one more try  
Can't you see, that I love you so?

A dinner in heaven  
Oh you're in my mind  
Cause I know for sure  
Love is hard to find

What about us? What about me?  
And what happened to our dream  
You're the love of my whole life  
Baby why can't we survive  
What about us? What about me?  
And what happened in between  
You're my greatest love of all  
I will catch you if we fall

I know it's not easy  
I cried myself blind  
Cause I know for sure  
That love is hard to find

What about us? What about me?  
And what happened to our dream  
You're the love of my whole life  
Baby why can't we survive  
What about us? What about me?  
And what happened in between  
You're my greatest love of all  
I will catch you if we fall
