Get me out of here.  
This isn't slowing down.  
We've hit black ice and lost control.  
We're spinning faster now.  
Tell me are we flying? Are we falling to the ground?  
If tomorrow doesn't come, did we die for nothing?

Recounting past events has helped reveal that you  
don't give a damn  
About the days when you would live the words you  
wrote.  
Not the person who you were; I hate the person you've  
become.  
You inspired. Now expired, it has died for nothing.

Some stop feeling love for all the places they come  
from.  
A person I will not become.  
A jaded liar, unforgivable.

Some stop feeling love for every word that they once  
sung.  
May I never lose my youth and If I do, may I be  
forgettable.

You said you started up this home  
Because you didn't like the way these kinds of things  
were run.  
You've said you understand the work it takes to make  
us grow.  
If you had then where were you?  
We've payed our dues without you.

Am I the only one who sees all of the deceit and  
festering hypocrisy?  
Don't ever talk to me like you think you know me or  
what I've been through.  
I am nothing like you!

Some stop feeling love for all the places they come  
from.  
A person I will not become.

A jaded liar, unforgivable.

Some stop feeling love for every word that they once  
sung.

May I never lose my youth and If I do, may I be  
forgettable.

This is The Fallen

This is the last time you will have us.  
You're lawless and purely dishonest.  
A scandal that we have funded for you.  
Make no mistake this all is about you.

No, we never knew.  
(This is the last time you will have us.)  
Don't buy what they sell you.  
(You're lawless and purely dishonest.)  
No, we never knew.  
(A scandal that we have funded for you.)  
Don't buy what they sell you.  
(Make no mistake this all is about you.)

But I can't stop feeling love for this place we both came  
from.

I will never lose my youth.  
All of this is too unforgettable.

Some stop feeling love.  
Some stop feeling love.  
Some stop feeling love.  
Some stop feeling love.  
Some stop feeling love.  
Some stop feeling love.  
Some stop feeling love.  
Some stop feeling...

Some stop feeling love for all the places they come  
from.

A person I will not become.  
A jaded liar, unforgivable.

Some stop feeling love for every word that they once  
sung.

May I never lose my youth and If I do, may I be  
forgettable.
