I'm not a tough guy
Baby I've tried
But when things get rough
I get beat up
And I go home and cry

I know this one girl
She rocks my whole world
She makes a lot of noise
She's badder than the boys
I wanna be like her

Oh wah uh oh

When I can't be who I am
I wanna be an angry lesbian
I wanna scare the shit right outta men
In my muscle tee
And my spiked arm band
I'd have a hot girlfriend
An angry lesbian

I would be so rude
If you're not a girl too
But ironically somehow
If science came around
I might become a dude

Oh wha uh oh

Does anybody understand
I wanna be an angry lesbian
I wanna scare the shit right outta men
Like Mellissa Ethridge can
I'd be the butch girlfriend
An angry lesbian

My girl would love every one of my songs
She'd say I can't get off without your guitar strapon

I wanna be an angry lesbian

I wanna scare the shit right outta men
Like Annie Defranco can
When she has a girlfriend
An angry lesbian

Lesbian
La la la lesbian
La la la lesbian

There she goes
