I've been running around in circles,
Running into the ground.
3000 days remind me,
We've barely made a sound.
I just wanted to make you happy.
To light up your tired eyes.
3000 days remind me
We've barely found the time to,

Waste our precious lives.(X2)

You know I would make you wait for,

A one in a million chance?
All I can hear around me,
The sound of love that passed.
I just wanted to say I'm sorry,
To open my wasted eyes.
3000 days remind me,
We've barely found the time to,

Waste our precious lives.
