What is so wrong, am I taking too long,
From where you're standing, from where I'm standing
You jumped far too soon,
You jumped far too soon

Is the difference showing, are you all knowing,
From where you're standing, from where I'm standing
You jumped far too soon

So hold your last breath,
It's all you have left,
So hold your last breath,
It's all you have left

So nothing matters, does nothing matter,
From where your standing, from where I'm standing,
You jumped too soon, you jumped

So hold your last breath,
It's all you have left,
So hold your last breath,
It's all you have left

So hold your last breath,
It's all you have left,
So hold your last breath,
It's all you have left

So hold your last breath...
