We're closer now to daybreak
Don't worry, don't worry,
Further from the heat wave,
Don't worry, don't worry

I'm crying at the rain clouds,
Don't burn me, don't burn me, don't hurt me
I'm crawling through the dark crowds,
Don't watch me, don't watch me, don't watch me,
Watch me, watch me

We're near the hour of daybreak,
Don't worry, don't worry,
Don't fall apart, forsake what we worked for,
What we worked for

I'm crying at the rain clouds,
Don't burn me, don't burn me, don't hurt me
I'm crawling through the dark crowds,
Don't watch me, don't watch me, don't watch me,
Watch me, watch me

Don't fall apart, don't fall,
Don't fall apart, don't fall,
Don't fall apart, don't fall,
Don't fall apart, don't fall,

Apart, apart, apart

I'm crying at the rain clouds,
Don't burn me, don't burn me, don't burn me
I'm crawling through the dark crowds,
Don't watch me, don't watch me, don't watch me,
Watch me, watch me...
