I'm waiting for
What am I waiting for?
There's something more.
There's something more?
And what you said,
I think about what you said,
For evermore, evermore

And there's nothing else I can do
So I'm shouting this out for you
No there's nothing else I can do
So I'm shouting this out for you
And I know you'll never hear me
And I know there never will be
The world I always dreamed of
The world in which you are a part.

Keep on going
We keep on going
Relentlessly
Relentlessly.
And glowing
We keep on glowing
Hopelessly
Hopelessly.

And there's nothing else I can do
So I'm shouting this out for you
No there's nothing else I can do
So I'm shouting this out for you
And I know you'll never hear me
And I know there never will be
The world I always dreamed of
The world in which you are a part.
