"Wretched Soul"

I've got a wretched soul,
It'll turn it's head and throttle you,
I got a wretched soul,
It's tearing at the heart of you

So don't waste, time here,
Or show fear, or show,
You are afraid, there's hell to pay,
There's hell to pay, there's hell to pay

I've got a wretched soul,
I let it get a hold of me,
I've got a wretched soul,
It's tearing at the heart of me

So don't waste, time here,
Or show fear, or show,
You are afraid, there's hell to pay,
There's hell to pay, there's hell to pay

So don't waste, time here,
Or show fear, or show,
You are afraid, there's hell to pay,
There's hell to pay, there's hell

So don't waste, time here,
Or show fear, or show,
You are afraid, there's hell to pay,
There's hell to pay, there's hell to pay

So don't waste, time here,
Or show fear, or show,
You are afraid, there's hell to pay,
There's hell to pay, there's hell
