Oh, do you want me girl?  
Baby love how you been doing?  
Have you been naughty and nice baby?  
Tell me what are we doing?  
It's snowing on this beautiful music  
And when I'll unwrap a present tonight,  
you gonna be the one, listen to me now  
I want you to  
Do you want me boy  
Take it off  
Do you want me boy  
Girl just kiss me, Oh baby  
Under the mistletoe

And we can both say Christmas came today,  
And we can both say Christmas came today

Baby love, you know I'm hungry  
Your bra and panties feel right  
But girl I just wanna taste your cookies  
I'll sneak and they won't hear a sound  
I'm like oh no she come back like a yo yo  
Girl I don't make you rain, I make you snow

Do you want me to stop  
You tell me no  
Your love is so hard that the tree fell on the floor

I want you to  
Do you want me boy  
Take it off  
Do you want me boy  
Girl just kiss me, Oh baby  
Under the mistletoe

And we can both say Christmas came today,  
And we can both say Christmas came today

I want you to  
Do you want me boy  
Take it off

Do you want me boy  
Girl just kiss me, Oh baby  
Under the mistletoe

And we can both say Christmas came today,  
And we can both say Christmas came today
