Yeah, it's another Darkchild Production
And my homie Se7en, let's go

I like them girls that's hard to get
I like them girls, shot calling a whip
I like them girls (girls), I like them girls (girls)
I like them girls, that'll love to trip
Trying to spend 24 at Se7en's crib
(Girls, girls, girls, girls)
(Girls I do adore)

Let me holla at ya girl
Every time I turn around
The girls been lookin' at me
I see a couple of 'em in the crowd
And I can tell that they wanna be
Be the one that'll make me settle down
Take my number out the game
Until I find that, imma fall back
I'll tell you what I'm looking for

Trying make you my accessory (yeah)
All girls are necessary (yeah)
Like Will I'm Legend, feel me
You can Google me, baby
Been around the world, Asia to Philly (oh yeah)
Cross the border they all look good to me
I need a few more, so call the G4
Tell them that we only got room for seven more

I like them girls that's hard to get
I like them girls, shot calling the whip
I like them girls (girls), I like them girls (girls)
I like them girls, that'll love to trip
Trying to spend 24 at Se7en's crib
(Girls, girls, girls, girls)
(Girls I do adore)

Let me holla ya girl
Baby I aint tryna clown
But you got something for me

It's so mean when you put it down
Makes me wanna call another me
I wish I had a clone machine
Then I could make 6 more of me
But from Monday, Tuesday, Wednesday, Thursday,
Friday, Saturday and then to Sunday

Trying make you my accessory (hey girl)
All girls are necessary (hey girl)
Like Will I'm Legend, feel me
You can Google me, baby
Been around the world, Asia to Philly (hey girl)
Cross the border they all look good to me
I need a few more, so call the G4
Tell them that we only got room for seven more

I like them girls that's hard to get
I like them girls, shot calling the whip (hey!)
I like them girls (girls), I like them girls (girls)
I like them girls, that'll love to trip
Trying to spend 24 at Se7en's crib
(Girls, girls, girls, girls)
(Girls I do adore)

When you see me in the club (holla at ya boy)
Post it up getting love (holla at ya boy)
It don't matter where you come from babe
Im kinda like MJ
I like them black or white (wh-white)
When you see me on tour (holla at ya boy)
It's a dame not a sport (holla at ya boy)
I aint ever turn down a fly girl that was tryna get
something
I ain't about to pick today to start running

I like them girls that's hard to get (I like them girls)
I like them girls, shot calling the whip (can we ride

I like them girls (girls), I like them girls (girls)
I like them girls, that'll love to trip (can you feel me
baby)
Trying to spend 24 at Se7en's crib (yeahhhh)
(Girls, girls, girls, girls)
(G-G-G-G-Girls I do adore)

Let me holla at you girl
