God says no way Dont you live
Your life that way
You say Its ok
It wont matter anyway
I wont live in hesitation
I serve a god of Expectation
Chorus
I soon realized
I would pay the price
If I lived of compromise
I wont live it, DONT you live it
I wont live it I wont live a life of compromise
You know and I know the places
you want me to go
I know you know what you reap is what you sow
I think I lost my senses
My choice has consequences
Chorus
Bridge:
We all straddle fences and ask
For gods blessing for us all
We hold to this world, We say we love Jesus
We get splinters from the fall
I wont live a life
I wont live a life of Compromise
I wont live a life
I wont live a life of compromise
