

## Seven Day Jesus "Everybody Needs Love"

Visit "[Everybody Needs Love](#)" on MotoLyrics.com

I think I drove by you just yesterday  
I think you were wearing the same thing, you are today  
I don't believe

Everyone watches, they'd never show  
The pain that they're feeling  
And sometimes you just won't let go  
We all need to see, you and me

Everybody needs love  
Everybody needs love  
(We all need love)  
Everybody needs love  
Everybody needs love  
(We all need love)

Some say we're different  
I know we're the same  
We both need the sunshine  
And I know we both need the rain  
It helps me to see, you and me

Everybody needs love  
Everybody needs love  
(We all need love)  
Everybody needs love, yeah  
Everybody needs love  
(We all need love)

So many lives searching to find out what love is  
Searching is all that they'll find  
This is the love  
That Jesus would give up His life and  
Carry a cross that was mine, yeah

Everybody needs love  
Everybody needs love  
Everybody needs love  
(We all need love)  
Everybody needs love  
Everybody needs love  
(We all need love)
