I'm waiting for the timing that when you call me I've never thought that I would real feel so alone I fly away my troubles that I wanna lose But sometimes to believe in love

The key you are to open up my soul wooooh I can't resist my heart can't breathe Looking for your eyes in the night

I'm crazy for you I'm crazy for you I'm feeling I'm burning to the fire What can I do? I'm crazy for you

I'm crazy for you I'm crazy for you I'm losing my heart into the fire What can I do? I'm crazy ~~ I'm crazy for you
