There's something going round inside my head,

I think it's something i feel,

It's something unreal.

And so i see my world is upside down,

But there is nothing I fear, babe,

My vision is clear,

My vision is clear,

My vision is clear,

My vision is clear,

My vision is clear.

I need you, you-hu,

I need you, you-hu,

I need you, you-hu,

I need you, you-hu.

And so i see my world is upside down,

But there is nothing I fear,

My vision is clear,

My vision is clear,

My vision is clear.

It's happiness, just around the bend.

It's happiness, just around the bend.

Ooooooh, I need you.

I need you,

I need you (you-hu)

And only you

I need you (you-hu)

And only you

I need you (you-hu)

And only you
(repeat till end)
