[Welcome back It's the top of the 3rd Inning  
No score in this ball game  
Up to bat is Davis  
On Second is Jones  
First base is Allen  
Nobody out  
Here is the 1-2 pitch and is hit  
Line to the 2nd basemen Simas  
Simas comes over steps on 2nd for the 2nd out  
tags the runner from first base  
It's an unassisted triple play  
You gotta be kidding me!]

Yeah Uh  
Welcome to my world where baby the living out here  
for real is just crazy  
On the daily we be grinding round  
delivering flows with perfect timing  
To the top I'm climbing  
bout to take the gave over  
21 by myself boy I'm a tyrant  
Every beat I lay in my apartment  
Whole complexes escape from my body  
My eyes be living so defiant  
Everything we do is just balls out  
On the beat on the track I go all out  
I bet I party goin dumber than your mommy in the 80's  
before the babies fall out  
Yeah I swear I'm goin hard  
others just fall down  
cuz i leave it on the field  
Tell the whole stadium my name they gonna call out  
24/7 I swear I'm staying clocked in  
A lot of things happen in life  
that might knock you down but gotta keep it rocking  
100 in all I do  
As a dad gettin straight A's up in school  
Music ... getting 5 star reviews  
And I still got time to straight act a fool  
  
Yeah yeah I got things to do

with my life baby so you know I'm gonna get it done  
Me and my crew way better than you  
yeah yeah I got things to get done  
Cuz I'm aiming for the sky  
And I ain't gonna stop until I'm number 1  
I'm gonna rock the world with this like  
Staying out the dark boy I'm gonna bring the light  
Colossal things seeking to be with cane  
Come to get to know the name  
Cuz I'm living out the dream  
Yeah, the dream  
Triple play on 'em  
haha thats how i do it  
thats all I know  
come on

Who'd ever guess this P to the J dude  
could get a whole nation to bump his tunes  
all original all by myself shoot  
broadcasting straight from my room  
heck my little ass desk it may seem all bad  
but the things that happen when the pen hits this pad  
When the fingers hit these keys these guitar strings  
homie its game over  
like the fat lady sings  
But i got more to do with my life than this  
Be the best dad to my son I will commit  
and to my fans you better never doubt for one second  
that I wont stay straight delivering hits  
I will never quit  
I am so up in this  
P to the J equals riding to the finish  
To the day I'm done  
Til I no longer breathe  
I'm gonna go so frickin hard til I'm up so high  
y'all cant see me you better believe

Yeah yeah I got things to do  
with my life baby so you know I'm gonna get it done  
Me and my crew way better than you  
yeah yeah I got things to get done  
Cuz I'm aiming for the sky  
And I ain't gonna stop until I'm number 1  
I'm gonna rock the world with this like  
Staying out the dark boy I'm gonna bring the light  
Colossal things seeking to be with cane  
Come to get to know the name  
Cuz I'm living out the dream  
Yeah, the dream  
I-I-I-It's triple play  
you-you gotta be kidding me

I-I-I-It's an unassisted triple play  
wow
