[Nelly - Just A Dream HOOK]

[V1]

Baby come back, b-b-b-back back to me  
all I really need is you and I'll be groovy  
cuz otherwise I'm david spade, just shoot me  
alone behind this door, come into my room please  
remember the days we used to lay  
here in this bed, girl, the things you used to say  
"together forever, it's the only way,  
i'm satisfied as long as I got my P and J"  
babe, it seems you were tellin lies,  
cuz you left me, now I'm all alone inside  
I guess you found a better guy,  
but you better recognize I'm comin back up extra high  
but still when I close my eyes  
it's you I see, with your perfect size,  
my perfect girl I must be dreamin,  
cuz all day long, yeah, I stay thinkin,

[V2]

Just a dream, you and me, you and I  
together all the time, I gotta tell my mind  
you are just a figment, I gotta end this  
block you out, build my fences  
and get movin on, baby girl you're gone  
see me on these songs rockin shows all night long  
my beats got speakers blowin up like bombs  
got girls on computers burnin CD-ROMS  
uh, but when it's back to that bed though  
nothin next to me but a flat pillow  
and my phone with your contact  
now I'm layin there writing out a long text  
what's next? i dont know but I gotta stop  
I thought I had this situation onlock  
well, I got this music and it's hot  
so imma let it run, as Biggie talks,
