Fire by PJDS
Fire took my mother
Fire took my dad
Fire took my sister
The only one that
I've ever had
Fire took my cousins
Fire took my friends
Fire took the chickens too
Fire took you

Now I'm left alone with
Somalia, Ethiopia and Sudan
I'm left alone with
Starving people just
Me and my two hands
I'm left alone with china
And the whole of South America
I'm left alone with the
Fascists too, I'm left
Alone without you

Gonna buy myself a weapon Gonna buy myself a boat Gonna buy myself a mountain Gonna buy myself a coat Gonna buy myself a reason I'm gonna buy myself some dope Gonna buy myself a light I'm gonna burn myself alive

Fire took the furnace
And it's getting kinda cold
In here
Rain won't take the Fire away
It's never gonna disappear
Fire took my family
Fire took my world
Fire took the zoo
Fire take me too
