WAIT...CONTAIN ME AROUND  
ONLY TO...I SPIT!!!  
Step on my disease -  
so nice to see me bleed  
Step on my disease - I cannot contain

SLOW IT DOWN...I'M so winded  
I've fallen down...again

Taste numb of my teeth  
Forever makes me...sick!!

Step on my disease -  
so nice to see me bleed  
Step on my disease - I cannot contain

SLOW IT DOWN...I'M so winded

I've fallen down...again  
I follow the walking dead

Now that you found out  
- somewhat about me  
I wonder how long it will be before  
you leave

SLOW IT DOWN - I'M so winded -  
SLOW IT DOWN  
I've fallen down...again  
SLOW IT DOWN - I'm so winded  
- So end it  
I've fallen down...again I follow the walking dead  
SPIT!!  
STUPID FUCK
