## Intro

I can't imagine  
To be like you  
The pain and suffering  
You put me through  
(repeat)

## 1st verse

I can't imagine  
To be like you  
All the pain and suffering  
I go through

You surrounded yourself  
With evil  
Every nightmare you have  
Is your equal

## Chorus

(don't hesitate)  
You live in your own hell.  
(outta my way)  
You're surrounded by evil  
(don't hesitate)  
You can't get away  
(outta my way, outta my way)

## 2nd verse

Dark clouds will follow you  
Rainy days  
Will always find you  
You can't ever get away  
Evil will come  
Another day

## Chorus

(don't hesitate)

You live in your own hell.  
(outta my way)  
You're surrounded by evil  
(don't hesitate)  
You can't get away  
(outta my way, outta my way)

I can't imagine  
To be like you  
The pain and suffering  
You put me through  
(repeat)

I can't imagine  
To be like you  
All the pain and suffering  
I go through

You surrounded yourself  
With evil  
I hope it caught you up

I can't imagine  
To be like you  
The pain and the suffering  
You put me through  
(repeat two times)
