1st verse

Voices call, they call out my name, (my name, my name)

They say I'm different well I'm not the same (the same)
You say you want
To be like me (like me, like me)
Well boy let me tell you,
You didn't know what I've seen.

2nd verse

They say the devil
Lives in my soul
(my soul, my soul)
I promise not to let him
Take control

Chorus

I'm minding
My own business.
I ain't doing
Nothing wrong
I ain't doing
Nothing wrong.

3rd verse

Shadows follow
So close behind me
I look in the mirror
I don't like what I see.

Oh God, Can't you help me
Get out of here?
(here, here)

I feel like I'm living
Deep in hell.

Chorus

I'm minding
My own business
I ain't doing
Nothing wrong

(Black)

Chorus

I'm minding
My own business
I ain't doing
Nothing wrong

I'm minding,
I'm minding my own.
I ain't doing
Nothing wrong
I ain't doing
Nothing wrong

Nothing wrong
