It takes time to heal the wounds
I've made along the way
If I'm blind, open my eyes
'Cause I need to see again

If I can feel again will you tell me now
Or wait till I'm broken down again?
Save me now I'm broken

If I bleed, my lies won't fill
The emptiness inside
I just need for something real
To open up my mind

If I can feel again will you tell me now
Or wait till I'm broken down again?
(Breaking down, I'm breaking down)
Save me now I'm broken

Breaking down, I'm breaking down
Breaking down, I'm breaking down
(It takes time)

If I can feel again will you tell me now
Or wait till I'm broken down again?
(Breaking down, I'm breaking down)
Save me now I'm broken

If I can feel again will you tell me now
Or wait till I'm broken down again?
(Breaking down, I'm breaking down)
Save me now I'm broken

It takes time
(Breaking down, I'm breaking down)
If I can feel again
(If I can feel again)

It takes time
If I can feel again
(Breaking down, I'm breaking down)
