So much pain to ease my simple mind
No hope, I've been crucified
And no one seems to care

Don't you feel like a bitch?
Don't promise shit, you'll never be
Don't you feel like a bitch?
Don't promise shit, you'll never be

The first time I knew you lied
I ended up crucified
My hate you wear, for your cross I bear
It's for me I swear

Suck a dick
Suck a dick
Suck a dick

What's with you?
You leech off my desire
A faceless name
So untrue, you're wasting away

Don't you feel like a bitch?
Don't promise shit, you'll never be
Don't you feel like a bitch?
Don't promise shit, you'll never be

The first time I knew you lied
I ended up crucified
My hate you wear, for your cross I bear
It's for me I swear

The first time I knew you lied
I ended up crucified
My hate you wear, for your cross I bear
It's for me I swear

Don't you feel like a?
Don't you feel like a?
Don't you feel like a shit?
Don't promise shit, you'll never be

Don't you feel like a bitch?
Don't promise shit, you'll never be
Don't you feel like a bitch?
Don't you feel like a bitch?

Don't you feel like a bitch?
Don't promise shit, you'll never be
Don't you feel like a bitch?
Don't promise shit, you'll never be

The first time I knew you lied
I ended up crucified
My hate you wear, for your cross I bear
It's for me I swear

The first time I knew you lied
(You lied)
I ended up crucified
My hate you wear, for your cross I bear
It's for me I swear

Don't you feel like a bitch?
Don't you feel like a bitch?
Don't you feel like a bitch?
