So sick, I can't swallow
So green, I can't follow
So weak, I can crumble
So we have all crumbled

Wipe my face, get up again
Get up again
Wipe my face, get up again
Get up again

So you think you can wander my soul
Pick me up, I'm a fuck, I'm a bastard
So weak, I can crumble
So we have all crumbled

Wipe my face, get up again
Get up again
Wipe my face, get up again
Get up again

Wipe my face, get up again
Get up again
Wipe my face, get up again
Get up again

I wish you knew how it could be
A broken soul, now you will see
I wish you knew how it could be
A broken life, now you will see with me

So sick, I can't swallow
So green, I can't follow
So weak, I can crumble
So we have all crumbled

Wipe my face, get up again
Get up again
Wipe my face, get up again
Get up again

Wipe my face, get up again
Get up again

Wipe my face, get up again
Get up again

Wipe my face, get up again
Get up again
Wipe my face, get up again
Get up again
